

Delphic Elementary School Weekly News

At Delphic School Students and Staff are Safe, Respectful, and Responsible

✎ Planning for the 2018-2019 School Year ✎

March 16, 2018

Superintendent/Principal Message

Dear Parents and Families,

We are already in full swing planning for next year. If there are any changes to your child's enrollment, please let us know to help aid in our planning. Currently, our enrollment is almost full capacity and we have a waiting list for two of our classes.

I would like to send a shout out to our staff who have been attending a variety of professional development opportunities to continue their growth as educators. We are very fortunate to have such a dedicated staff!

Thanks for another great week. We have many events coming up, please review the list below and to the right, or check our website calendar at www.delphic.k12.ca.us One of our upcoming events is our Drive-Through Dinner to sponsor upcoming field trips for 6th-8th graders. The upper graders and the office are selling tickets. We would like to thank Montgomery Meats from Weed for donating to help support our efforts.

Have a great weekend, for the kids!

Jami Thomas

CLASSROOM UPDATES

K-2 GRADE

- Mrs. Day's students did a lot of St. Patrick's festivities which included writing, crafts, and graphing Lucky Charms. They also made a history timeline based upon people they have studied. They enjoyed their unit on insects.

3-5 GRADE

- Ms. Diehl's class is working on kindness and reading the book *Wonder*. They watched the movie on Friday. The 3rd - 5th graders are also starting to find facts about their insects and next they will be creating a powerpoint presentation.

6-8 GRADE

- Mrs. Kuck's class has started a unit studying the work of Shakespeare and is currently familiarizing themselves with the play Henry the V. Our 6th - 8th graders also started working with our new chromebooks and are very excited.

SAFE Notes

(Safe Afterschool For Everyone)

SAFE is now offering art and cooking enrichment classes once a week! Please speak with SAFE staff if your child is interested.
