TK & Kindergarten Round Up

March 2, 2018

Superintendent/Principal Message

Dear Parents and Families,

We are already planning for next year and need your help! If you have a kindergartener for the 2018-2019 school year, please call and let the office know or fill out the form on the back and send it back to school. Also, if you are interested in a Transitional Kindergarten program at Delphic for the 2018-2019 school year, please attend our Special Board meeting on March 14th at 6:00pm.

Please put our next parent meeting on your calendar for March 26th. If you are unable to attend and would like an agenda or have any questions, please let me know. I welcome your ideas and concerns.

We recently received 30 new computers and we are so excited to put them to use! The 3rd through 8th grade students will be able to start using them next week. If you would like to see them, come on in and check them out. Have a great weekend!

For the kids!

Jami Thomas

Email: jthomas@sisnet.ssku.k12.ca.us

K-2 GRADE

- Mrs. Day asks to please make sure students are coming in well rested. Students are having a tough time staying focused. Students are learning about volcanoes and Abraham Lincoln.

3-5 GRADE

- Ms. Diehl's class is learning about insects. The 3rd-5th grades are also working hard at writing paragraphs. They are making sure to have all the parts; topic sentence, details and closing sentence. Our class is starting to review the state test. This will help our students to become familiar with the test. This is especially good for 3rd graders, since it will be their first year taking it.

6-8 GRADE

- Mrs. Kuck's class is busy planning for the drive through dinner on March 29th! All profits will go towards the class trip. Please call the office if you would like to purchase tickets.

SAFE Notes

(Safe Afterschool For Everyone)

SAFE is now offering art and cooking enrichment classes once a week! Please speak with SAFE staff if your child is interested.
