Field Trips & Upcoming Graduation

May 11, 2018

Superintendent/Principal Message

Dear Parents and Families,

We have many field trips coming up for all kids including Ag Day, Class Trips for Upper graders, a hike and park trip for Mrs. Day's class. Please check the schedule to keep updated on all our school events.

We have a parent meeting on Monday, May 14th at 9:00am in the library. The primary purpose for this meeting will be to solicit input on our LCAP. Please join us to give us your thoughts in regards to school improvement. If you are unable to attend this meeting and would like to be part of the LCAP process, please give the school a call.

If your child will be returning to Delphic next year, please let us know by filling out the form on the back of this newsletter. If your child is in 6th grade, there are required immunizations for them to return in the fall as a 7th grader. Please call Mr. Adams if you have any questions.

For the kids!

Jami Thomas

K-2 GRADE

- The kindergarteners are practicing sight words and reading. The first and second graders have started a new unit in math. They are making Mother's Day gifts.

3-5 GRADE

- The 3rd-5th graders are practicing different exercise movements and the mile. They have been putting in a lot of effort. We are still testing, so please remember to have your student get a good night rest and breakfast. We are going to be making a fun Mother's Day craft to celebrate all the wonderful women in your student's life.

6-8 GRADE

- This week we finished our state English Language Arts and Math testing. We left early Thursday morning for our tour of the state capitol and a visit to Sutter's Fort. A great chance to experience our California History.

SAFE Notes

(Safe Afterschool For Everyone)

SAFE staff continue our Fun Enrichment Friday's with a variety of themes. We will also continue to offer cooking twice a week for the remainder of the year!
