Welcome Back to School!

August 24, 2018

Superintendent/Principal Message

Dear Parents and Families,

Welcome to the 2018-2019 school year! We have had a great start to the year and are excited about what the coming 10 months have in store for Delphic students. We have many activities coming up quick, so please check out the event list to the right.

Teachers will be planning Back to School Night during the coming days and we will release the date next week. Please plan ahead: November 1st, there will be no school and teacher will be conducting conferences for families.

Recently, there was a report on Delphic Elementary School District published by the Grand Jury of Siskiyou County. The school board will be responding to the report over the coming week, but if you have any questions regarding this report, please do not hesitate to contact the school. You are also invited to attend our next board meeting on Wednesday, September 12th at 7:00pm. The report can be found at https://www.co.siskiyou.ca.us/sites/default/files/docs/GJ-20180720_DelphicSchoolDistrict.pdf

As smoky conditions continue, we will be keeping students inside. We will monitor the air quality rating several times daily via airnow.gov to inform decisions about letting kids go outside.

Again, we look forward to a great school year! Thanks for entrusting us with your kiddos! Please call if you have any questions, comments or concerns.

For the kids!
