At Delphic School Students and Staff are Safe, Respectful, and Responsible

Back to School Night is September 26th

September 14, 2018

Superintendent/Principal Message

Dear Parents and Families,

Back to School Night will be held on September 26th from 6:00-8:00pm. Dinner will be served, we hope everyone can make it! Teachers will be available in their classrooms to visit and answer questions from 6:00-7:00 and Mrs. Cunningham will be serving dinner. It will be a fun night!

Our first Delphic Parent Meeting will be held on Monday, October 8th 9:00am. Breakfast goodies will be served. Bring any ideas, question or thoughts that you have for the upcoming school year. If you are unable to attend, please let me know and I can bring your contributions to the meeting.

Please plan ahead: November 1st, there will be no school and teachers will be conducting conferences for families. Conference scheduling will happen in early October. Our teachers look forward to visiting with families regarding student progress.

Please call if you have any questions, comments or concerns. Have a great weekend!

For the kids!

Jami Thomas

CLASSROOM UPDATES

K-2 GRADE

- The kindergarteners are learning the letter "B" and the number "2". In the afternoons, they have learned what characterizes a bully. They have also practiced what to do in those situations!
- The first and second grades are really working hard in reading. Today was their second spelling test. Second graders are also taking a vocabulary test on Thursdays and practicing reading comprehension. They have also learned about what characterizes a bully and how to prevent that behavior!

3-5 GRADE

- This week the 3rd-5th graders have been investigating where falling leaves go. So they set up an experiment in the classroom to discover the idea more. We have built terrariums with food in a sealed tight bag. We will be watching them for two weeks! The student's will be taking notes and making records of what they observe.

6-8 GRADE

- This week the 7th and 8th graders are settling into our new Social Studies materials. Our class is learning about the physics of motion. The 6th graders had an awesome time at French Creek Outdoor School. Many new experiences and many new friends!

SAFE Notes

(Safe Afterschool For Everyone)

Students in SAFE are completing a fun egg drop project! If your child attends SAFE, please ask them about their project design!
