

# Delphic Elementary School Weekly News

At Delphic School Students and Staff are Safe, Respectful, and Responsible

## Back to School Night is September 26th

September 24, 2018

### Superintendent/Principal Message

Dear Parents and Families,

We are looking forward to seeing everyone at Back to School Night on September 26! We will start at 6:00pm and will have three sessions in each classroom so parents will have the opportunity to visit every teacher if needed. Dinner will be served at 7:00pm. We are having hamburgers!

Thank you to all the families who have been getting their students to school on time. Research shows that attendance is a critical part of students' success in school. At the end of the year, we will be honoring students with the best attendance record with a Walmart Gift Card.

Delphic Elementary has scheduled a lighting project with All Trade to replace current lights with new LED bulbs throughout the main part of the building on October 31st-November 2nd. School will still be in session, but there will be no SAFE program on November 2nd. This project is funded through Proposition 39 and must be completed by the end of this year. During these days, you may see workers at the school. Please call me if you have any questions.

For the kids!

Jami Thomas

#### K-2 GRADE

- Our class would like to ask any parents who are able to donate snacks to bring some in any time! Snacks help boost student focus in the mid morning. First and second graders took their first math test. They have also started learning about fall. All of the students are really excited about next week and the return of the Delphic Dollar Store! Have a great weekend!

#### 3-5 GRADE

- This week the 3rd-5th graders have been reading biographies. They have also been working with cause and effect. In science the students are taking data on how much mold is growing in their terrariums and seeing which ones grow the fastest. As a class we continue to work on being focused, listening and ignoring distractions.

#### 6-8 GRADE

- We look forward to seeing all parents at Back to School night! Please also plan to attend our class trip parent meeting on October 1st, at 6:00pm. This week we are wrapping up our project based book reports. Students are planning a bake sale fundraiser to be held on Back to School Night to support the purchase of sports tee shirts.

### SAFE Notes

(Safe Afterschool For Everyone)

THERE WILL BE NO SAFE ON NOVEMBER 2nd, please plan accordingly. Thank you!
