

Delphic Elementary School Weekly News

At Delphic School, Students and Staff are Safe, Respectful, and Responsible

Happy Thanksgiving

November 16th, 2018

Superintendent/Principal Message

Dear Parents and Families,

It has been a very busy, but great week! We would like to thank the community for the tremendous showing of support at our annual Spaghetti Feed Dinner. Our students did a wonderful job planning, serving and cleaning up after our event. A tremendous kudos to Mrs. Kuck for her tireless effort in helping students raise money for their class trip.

On Friday, November 30th we will be holding our DARE graduation ceremony in Mrs. Kuck's classroom. The Sheriff has been invited and we will have cake and punch directly after. Families are welcome to join us!

We have two all school field trips coming up in December. On December 18th, we will be driving to Mt. Shasta for ice skating and a pizza lunch. If you are able to drive for this event, please let us know. On December 19th, we will caravan to Grenada Gardens for caroling. Parents are invited! Please let the school know if you can drive for this event as well.

We wish everyone a wonderful holiday break. Please travel safely. We will see you on Monday, November 26th!

For the kids!
Jami Thomas, Superintendent/Principal

CLASSROOM UPDATES

K-2 GRADE

- The kindergartners are reviewing the letter "li" and learning sign language. In first and second grades they are either doing a play or catching up on stories. They also did Mystery Science and learned how to identify frogs by sound. In the afternoons, they learned about Veteran's Day, why we celebrate Thanksgiving, and did many Thanksgiving activities. Have a great Thanksgiving!

3-5 GRADE

- This week the 3rd-5th graders wrote about what they have been thankful for this year. The third and second graders were giving a training on what CAASPP Testing will look like. There are many parts to the test and we want our students to feel comfortable and prepared. We hope all families have a great Thanksgiving and safe travels.

6-8 GRADE

- Thank you to everyone that supported us in making our Spaghetti Feed Dinner a success! We are so grateful for community support. Believe it or not, we learned quite a bit about food safety this week in preparation for our big event. We take advantage of learning any way we can.

SAFE Notes

(Safe Afterschool For Everyone)

We will be spending more time inside now that it is getting darker earlier. We are thankful for our new parking lot lighting which makes things much more safe for our late evenings at school.
