At Delphic School, Students and Staff are Safe, Respectful, and Responsible

### Please Send in Gift Exchange Items

December 14, 2018

#### Superintendent/Principal Message

Dear Parents and Families,

Each child has come home with a name of another student or staff member to purchase a gift of \$5.00 or less for our annual Gift Exchange. Please send in the gift as soon as you can. If this is a hardship, please let us know and we are happy to help. We just want everyone to have a gift for our exchange on Thursday, December 20th.

Next week, on Tuesday December 18th, we will be driving to Mt. Shasta for ice skating and a pizza lunch. If you are driving on this trip, please be at school by 8:30am. On December 19th, we will caravan to Grenada Gardens for caroling. Parents are invited!

Please come and check the lost and found prior to winter break as we will be collecting items and taking them for donation if they are not claimed. Please plan ahead, there will be no SAFE program on Thursday, December 20th.

For the kids!

Jami Thomas, Superintendent/Principal

#### K-2 GRADE

- The students have had lots of fun making ornaments. They made snowmen and candy canes. They are also making science experiments/ornaments that involve pipe cleaners being put into hot water and borax. Thanks to all that supplied the jars. The kindergartners are learning the letter "Ll" and the number "12". The first and second grades took a math test. Please make sure that your child gets in their gift for the Gift Exchange as soon as possible!

#### 3-5 GRADE

- The 3rd-5th graders put in a lot of time practicing their songs with all the grades. We've been able to incorporate some arts and crafts this week! For ELA, our focus has been a catch up week for most kiddos. Working on different areas that they needed. Let's keep up the good work.

#### 6-8 GRADE

- The upper-grade class is now studying fluid forces. We have been practicing for caroling next week and are continuing our cooking demonstrations. In our behavior class, we are working on how to calm ourselves as well as identify what emotion we are feeling.

#### SAFE Notes

(Safe Afterschool For Everyone)

In moving forward, we will not be using personal technology devices in SAFE, if you need to talk with your child, please call or text the school. Thank you for your understanding. **There will be no SAFE on Thursday, December 20th.** Please plan ahead. Thank you!
