

Delphic Elementary School Weekly News

At Delphic School, Students and Staff are Safe, Respectful, and Responsible

Upcoming Gift Exchange

December 7, 2018

Superintendent/Principal Message

Dear Parents and Families,

Every year at Delphic we have a seasonal gift exchange. Next week we will be sending home another student's name and their wish list. Each student and staff member at the school buys one gift for someone else and we exchange the last day before winter break. The gift limit is \$5.00. If this is a hardship, please let us know and we are happy to help. We just want everyone to have gift this holiday season.

We have two all-school field trips coming up in December. On December 18th, we will be driving to Mt. Shasta for ice skating and a pizza lunch. If you are able to drive for this event, please let us know. On December 19th, we will caravan to Grenada Gardens for caroling. Parents are invited! Please let the school know if you can drive for this event as well.

Just a reminder to please send students with a warm coat and school appropriate shoes. We go outside several times a day and kids need to be able to stay warm. Please plan ahead, there will be no SAFE program on Thursday, December 20th.

For the kids!

Jami Thomas, Superintendent/Principal

K-2 GRADE

- Mrs. Clark is teaching sign language to the class. Everyone is also learning about Hanukkah traditions and Mexican traditions. They made a chain where they take off one link everyday till New Year's Eve, which then we change to 2019. The kindergartners are learning the letter "Kk" and the number "11". Next week first and second grades will be taking a math test!

3-5 GRADE

- The 3rd-5th grade class have been practicing their caroling songs that they will perform at the Grenada Gardens. In science they are discovering how to go down a slide faster. For example which materials or things can make them increase or decrease speeds. They ran an example to test their ideas this week.

6-8 GRADE

- We finished our NASCAR lessons about aerodynamics. Our paper cars were a challenge but we did race them. The 2nd Step Behavior lessons are now centered around how to identify the emotion we are feeling and to have a plan to calm ourselves down. The cold and flu season is here. Please help your student get plenty of sleep to help stay healthy.

SAFE Notes

(Safe Afterschool For Everyone)

In moving forward, we will not be using personal technology devices in SAFE, if you need to talk with your child, please call or text the school. Thank you for your understanding. **There will be no SAFE on Thursday, December 20th.** Please plan ahead. Thank you!
