Preparation for Poetry Day

February 1, 2019

Superintendent/Principal Message

Dear Parents and Families,

Happy February! On February 12th and 13th our school nurse will be here to present the 'Puberty Workshop'. This is for 5th and 6th grades only; parents should have received a letter to further explain; if you did not, please let the school know. Don't hesitate to call with any questions.

Our next parent meeting will be held on February 12th. We will be discussing our school safety plan, playground updates, and school events. A few parents have asked about starting a ski program for next year, so I will add that to the list of items to discuss. I hope you can make it! If you cannot make it and would like to add items to the agenda, please let me know.

Students will be coming home with a poem soon to be memorized for Poetry Day. Please ask your student about their poem and help them with their memorization. This is always a fun day for everyone.

For the kids!

Jami Thomas, Superintendent/Principal

CLASSROOM UPDATES

K-2 GRADE

- The kindergartners are learning the letters "Pp" and "Qq" and the number "16". They had their first spelling test this week! All students are working on their poems in preparation for Poetry Day. They learned about Martin Luther King Jr. and had a 100 Day Party on Friday with many fun activities.

3-5 GRADE

- This week the 3rd-5th graders picked their poems for Poetry Day. It will be coming up this month. We'll start working hard on memorizing poems over the next few weeks. The students were also able to explore with magnets. We used different materials and ideas to see how strong the magnets were. The students developed a lot of questions and critical thinking skills.

6-8 GRADE

- The upper-grade class started a Science unit about Work and Machines. We deconstructed several different types of machines to see how they work. Each student has selected a poem to recite at Poetry Day.

SAFE Notes

(Safe Afterschool For Everyone)

Our cooking enrichment will start again this month. Please encourage your child to participate - it is super fun! We are continuing to not use personal technology devices in SAFE. If you need to talk with your child, please call or text the school. Thank you for your understanding!
