At Delphic School Students and Staff are Safe, Respectful, and Responsible

## Donations Needed for Upcoming Spaghetti Feed

October 11th, 2019

### Superintendent/Principal Message

Dear Parents and Families,

6th - 8th grade students are selling tickets for our annual Spaghetti Feed which will be held at the Montague Hall on Thursday, November 7th from 5:00-7:00pm. Each 6th, 7th and 8th grade student is asked to sell a minimum of 10 tickets to generate the expected profit needed to fund planned activities.

Besides generating funds with ticket sales, we are also looking for cash donations and auction donations. Attached is the letter we are sending to community members looking for donations. If you can help, or know someone else who can, please do! We are looking for many different types of items including; gift certificates, gift baskets, gift cards, etc. We are also needing folks to make desserts for the auction following the dinner.

November 1st, there will be no school. Conferences will be held this day. Scheduling will be posted in the hallway next week, please come in and sign up. Please call if you have any questions, comments or concerns.

For the kids! Jami Thomas,  
Email: [jthomas@sisnet.ssku.k12.ca.us](mailto:jthomas@sisnet.ssku.k12.ca.us)

### CLASSROOM UPDATES

#### K-2 GRADE

- The kindergartners are learning the letter "Ee" and the number "6". The first and second graders are working on diagrams and plus 10 in math. They should be taking a math test next week. In the afternoons, Miss Kat is working on Second Steps. The students are learning how to self talk and follow directions. Next week math homework will start back up for first and second grades.

#### 3-5 GRADE

- We are working on bringing Fall into our classroom. We created pumpkin mosaics for our room and leaf mosaics for the hall. We have updated our classroom tree and will be adding something special to it very soon. It is fun to see how the students use their creativity to create a unique project.

#### 6-8 GRADE

- Please contact me if you can help with the Spaghetti Feed Dinner either through Class Dojo, or call the school. Thank you so much to everyone who is already helping out!

### SAFE Notes

(Safe Afterschool For Everyone)

SAFE student of the week this week is Kaylee Poling! She has been a great leader and a very good friend. Computer coding is over in Mrs. Day's class, so math homework will start back up Monday. Computer coding will start in January for the upper graders.
