### Superintendent/Principal Message

Dear Parents and Families,

Our 6th-8th graders has a great field trip to Castle Rock on Monday! All of our kiddos made it to the top. Our next upcoming field trip is for TK-5th graders to Hunter's Orchard.

We are beginning to collect donations for gift baskets for our Spaghetti Feed Fundraiser which will be held on November 7th. If you can create, donate or find a donation basket, please let us know and bring in as soon as possible. Thank you!

Don't forget, **Tuesdays are School Spirit Day** and **Fridays are Sport Day**. On Tuesdays, students are encouraged to wear our school colors (green and white) or clothing that supports their favorite team. Fridays, students will be encouraged to dress 'sporty'. This effort is intended to be a fun way for kids to be excited about school spirit and athletics.

**November 1st, there will be no school.** Please call if you have any questions, comments or concerns. Happy fall.

For the kids! Jami Thomas,

#### K-2 GRADE

- The kindergartners are learning the letter "Cc" and the number "3". The first and second grades have started a new unit in math. The second graders have started assignments on their computers for vocabulary, spelling, and sentence practice. First graders are now able to sign into IXL by themselves. In the afternoons, they have been learning about fall.

#### 3-5 GRADE

- This week we continued our Friday Math program with Khan Academy. This is a short-term math program that will finish in November. The students cheered as we completed the second ring on our progress graph. We have hard working math minds in Mrs. Jackson's class!

#### 6-8 GRADE

- This week, our class accomplished a big challenge reaching the Dome on the Castle Crags hike on Monday. They each received 2 additional Delphic Dollars for the hike and some earned more dollars after compliments by the Castle Rock staff for exceptional behavior and setting a great example on the hike. The Delphic Dollar store opened today!

### SAFE Notes
