At Delphic School Students and Staff are Safe, Respectful, and Responsible

Conference Scheduling is Posted

October 18th, 2019

Superintendent/Principal Message

Dear Parents and Families,

November 1st, there will be no school. Conferences will be held this day. Scheduling is posted in the hallway. Please come in and sign up!

6th - 8th grade parents: Please keep helping your child sell tickets for our spaghetti feed. If you need more tickets, please let Mr. Darnell know. Each 6th, 7th and 8th grade student is asked to sell a minimum of 10 tickets to generate the expected profit needed to fund planned activities.

Besides generating funds with ticket sales, we are also looking for cash donations and auction donations. We are looking for many different types of items including; gift certificates, gift baskets, gift cards, etc. We are also needing folks to make desserts for the auction following the dinner.

Please call if you have any questions, comments or concerns.

For the kids!

Jami Thomas,
Email: jthomas@sisnet.ssku.k12.ca.us

CLASSROOM UPDATES

K-2 GRADE

- The kindergartners are doing the letter "F" and the number "6". They are working on ten frames in math. The first and second grades took a math test this week. In the afternoons they learned about folk tales and Christopher Columbus. Pumpkin Patch form was put in your child's cubby this week. We will be going on October 29. Please make sure that you are reading with your child every night.

3-5 GRADE

- This week in Science, we learned why some animals live in groups. The group bands together for survival, working together to hunt for food or provide protection against predators. We also created owl mosaics with colored beans. They turned out great! We would love for you to stop by and check them out.

6-8 GRADE

- In our class, we are wrapping up our Social Studies unit studying the United States Constitution. We are also working on stating claims to write arguments involving the following two topics "Should we retire the penny?" and " Toddlers and Technology Use". Please remember to help your child sell tickets for our fundraiser and visit local stores to collect donations for our auction.

SAFE Notes

(Safe Afterschool For Everyone)

The student of the week for SAFE is Korbin. Korbin is always excited to try new things. He is a good friend and a great kid! We have been doing a lot of fall arts and crafts in safe. Today we made a cake!
