

Delphic Elementary School Weekly News

At Delphic School Students and Staff are Safe, Respectful, and Responsible

Conferences on Nov 1st, New Report Cards, Spaghetti Feed

October 31st, 2019

Superintendent/Principal Message

Dear Parents and Families,

8th grade parents: 8th graders will be attending an event put on by the Soroptimist group on Monday, November 4th. Students are asked to dress nicely. Boys and girls will be going to separate locations. The girl's day maintains a focus on girl strengths and healthy relationships, a high school teen panel discussing the high school experience, awareness of the environment, life skills and a look at career paths and opportunities. The boys' sessions will include a panel of high school seniors discussing opportunities at Yreka High, life skills sessions, a look at career paths and opportunities and awareness of the environment.

We look forward to seeing parents at conferences tomorrow! If you have not signed up for a conference yet, there is still time. The sign up sheet is in the hallway, or you can call the school and we can schedule you.

At conferences, teachers will be giving parents their student's report cards. Our report card template is new to more accurately report the California State Academic Standards. If you have questions about the new report cards, please let me know, we are still working out the kinks.

Please call if you have any questions, comments or concerns.

For the kids!

Jami Thomas,
Email: jthomas@sisnet.ssku.k12.ca.us

K-2 GRADE

- The kindergarteners are reviewing letters A-G. They have also finished testing for their report cards. First graders are either playing catch up on stories or reading chapter books. Second graders are reading chapter books and working on reading comprehension. In the afternoons, they have been having fun with Mystery Science. They have learned about spiders, bats, and skulls. We went to the pumpkin patch and made lots of crafts on Halloween Day. See you at parent conferences on Friday.

3-5 GRADE

- This week we started a creative writing lesson. Students used story generators and graphic organizers to plan their stories. After the stories are completed, students will trade papers and perform peer evaluations for the first step in the editing process. Look for the stories to be posted in the classroom by the end of next week.

6-8 GRADE

- Please get out there to sell tickets and get donations for our Spaghetti Feed/Auction Fundraiser. It's the last weekend before our event, and we need to make a big push this last week. Thanks for all your support in this event, and I look forward to seeing you at conferences this Friday!

SAFE Notes

(Safe Afterschool For Everyone)

This week
