Spaghetti Feed Success! Thank you to Everyone!

November 8, 2019

Superintendent/Principal Message

Dear Parents and Families,

Thank you to everyone who attended and/or supported our Spaghetti Feed Fundraiser! It was a tremendous success and we feel so fortunate to live in a community that is so supportive to our youth. We would also like to give a huge thank you to Mrs. Kuck; even though she is retired, she is still pouring her heart and soul into Delphic School. Thank you!

There will be no school on Monday, November 11th in honor of Veteran's Day. Please take a look at the upcoming events in the months of November and December, which are very busy with field trips and special activities.

On November 12th, 3rd through 8th grade will be attending a musical at College of the Siskiyou. We will be leaving promptly at 8:30am. Please arrive on time. The play begins at 9:30am.

Gazelle Elementary has invited us to join them for a Thanksgiving Feast at the Gazelle Grange Hall on November 21st. We will travel to Gazelle to have lunch and playtime, and then return to school in the early afternoon.

Please call if you have any questions, comments or concerns.

For the kids!

CLASSROOM UPDATES

K-2 GRADE

- The kindergartners are learning the letter "Hh" and the number "8" and patterns in math. They are also learning a new Turkey song. In math, the first and second grades are working on number stories. In the afternoons, the students learned about eagles, bears, and what traits make it a bear a mammal. Friday the 15th, we are going to Turtle Bay on a class trip. They get a special program focused on animals. If you can drive students, please let me know!

3-5 GRADE

- This week we continued working on our fiction stories. Many of the students have their work posted in the classroom. I am working on getting the rest out as soon as possible. The stories featured interesting details and they were quite creative. One student has asked if she can write another story every day this week. It's exciting to witness the student's reactions to this assignment. They are proud of their success and I am proud of them all.

6-8 GRADE

- Thank you all for a wonderful evening and weeks of support for our Spaghetti Feed fundraiser. We filled that hall last night with an abundance of food, joy, and community interaction. I am so happy and proud of our kids and the wonderful job they did serving and having meaningful conversations with our guest. You're all amazing!

SAFE Notes

(Safe Afterschool For Everyone)

The student of the week is Sonnyluke Albers. He is always a good friend and following the rules. And he is a great leader!
