At Delphic School Students and Staff are Safe, Respectful, and Responsible

Thanksgiving Feast Next Week

November 15, 2019

Superintendent/Principal Message

Dear Parents and Families,

Gazelle Elementary has invited us to join them for a Thanksgiving Feast at the Gazelle Grange Hall on November 21st. We will travel to Gazelle to have lunch and playtime, and then return to school in the early afternoon. Gazelle Elementary will be picking Delphic students up in their bus, so at this time we do not have a need for parent drivers.

Please come and collect any clothing of your child at the school prior to Thanksgiving Break. During the break, all Lost and Found items will be donated to hospice. We appreciate your attention to this matter.

After we return from break, we will be sending home names for our Secret Santa gift exchange. The spending limit will be \$5.00.

Currently the water from our well is not safe for consumption due to high bacteria levels. We are working with the State Water Board to resolve this issue as soon as possible. Please call if you have any questions. Thank you.

For the kids!

Jami Thomas,
Email: jthomas@sisnet.ssku.k12.ca.us

CLASSROOM UPDATES

K-2 GRADE

- The kindergartners are learning the letter "l" and the number "9". The first graders are working hard on their stories. The second graders are reading poems this week. The spelling test will be next week because of our short week. On Friday, we had an awesome trip at Turtle Bay. We learned a lot about animals.

3-5 GRADE

- This week we had the opportunity to attend a performance of the Addams Family at College of the Siskiyous. We enjoyed the show and all of the students displayed excellent manners. I was very proud of the way that they conducted themselves. We are currently reviewing our Unit 2 math assessment. If you would like your student to get some additional math practice at home, we supplement our math lessons with programs on Khan Academy, IXL, Kahoot, and Prodigy.

6-8 GRADE

- This week started with the theater production of Addams Family at College of the Siskiyous. Thanks to the parents that helped with transportation that day to Weed. Please remember to check your child's homework folder each night and sign their reading log. We are starting a new semester now, and I want the kids to start with some good study habits to enforce getting their work turned in on time. Thanks!

SAFE Notes

(Safe Afterschool For Everyone)

The student of the week this week is Harper Short! Harper follows the rules, listens to directions, is a good friend and leader.
