Annual Gift Exchange & Grenada Gardens Caroling

December 13, 2019

Superintendent/Principal Message

Dear Parents and Families,

Our Annual Seasonal Gift Exchange is underway. Your child will be bringing home another student or staff member's name. Please help them purchase an item for \$5.00 or less and **bring the gift back to school prior to Wednesday, December 18th**. They have to bring a gift to get a gift.

We will be caroling and students who are learning piano and recorder will be presenting pieces at Grenada Gardens at 1:00pm on Wednesday, December 18th. We would love for parents to join us. Please also let us know if you can transport your student to and from.

Our well water is still not deemed safe for consumption due to high bacteria levels. We are working with the State Water Board to resolve this issue as soon as possible. We are looking to have extensive repairs done to our well and anticipate after this work is completed, the issue will be resolved. In the meantime we have water coolers in every room. Please send kids to school with their own water bottle to help out. Don't hesitate to call the school with any questions.

For the kids!

Ms. Thomas,
Email: jthomas@sisnet.ssku.k12.ca.us

K-2 GRADE

- The kindergartners are learning the letter "L" and the number "12". They are dictating stories to Mrs. Dunn and she is writing their thoughts down. All grades are practicing their songs to go caroling at Grenada Gardens next week. If you can drive, please let us know! The first and second graders are working hard in reading and math. In the afternoons, they have been learning about different cultures and how they celebrate Christmas. The second graders are reading about magnets, so they are playing with magnets in the afternoon. The first graders are now able to do their language arts on their computers. These activities help them practice spelling, vocabulary, etc. Also, the kinders made an awesome gingerbread man!

3-5 GRADE

- This week we completed our Winter stories. They are very creative! The students are doing a great job of mapping out their stories by creating a beginning, a middle, and an end. We are going to read them aloud on Friday. Please stop and check them out on our Student Work Wall. Or you can ask your student to bring home a copy for you to read.

6-8 GRADE

- Hello Parents! This week we've been preparing for our winter break and caroling at the Grenada Gardens next Wednesday, 12/18 at 1pm. You're welcome to come be a part of this gift we are sharing with their community. We are also in need of drivers that day to help transport some of our kids. Contact myself or the office if you are cleared to volunteer and help with the driving. Thanks!

SAFE Notes

(Safe Afterschool For Everyone)

Our safe student of the week is Uriah. He is always following the rules and directions quickly. Students have been working hard on learning new songs on the piano, and getting ready for Christmas caroling next week! Happy holidays!
