Have a Safe Holiday Break

December 20, 2019

Superintendent/Principal Message

Dear Parents and Families,

Our staff and students had a nice week of Christmas and holiday festivities. We wish everyone a safe and happy holiday break! School resumes on Monday, January 6th.

Ski/Snowboard Program

If your family is interested in your child(ren) participating in our ski/snowboard program, please let the school know by January 10th. **Parents must attend all of these field trip days. We will go three Fridays in January-March.** Each session is \$60 for a total of \$180 for three sessions. This program is optional, but we are excited to offer it for interested families.

Our well water is still not deemed safe for consumption due to high bacteria levels. We are working with the State Water Board to resolve this issue as soon as possible. We are looking to have extensive repairs done to our well and anticipate the issue will be resolved after this work is completed. In the meantime, we have water coolers in every room. Please send kids to school with their own water bottle to help out. Don't hesitate to call the school with any questions.

For the kids!

CLASSROOM UPDATES

K-2 GRADE

- Thank you, Mrs. Martinez, for helping the students create a snowflake with borax and water. The students made different ornaments throughout the week. They also were amazing when caroling at Grenada Garden. Thanks to Miss Kyra for leading the students in making tamales. They learned about different costumes around the world. Have a wonderful two week vacation with your families!

3-5 GRADE

- This week we worked on final preparations for our singing presentation at Grenada Gardens. We also wrapped up our Polar Bear unit. Did you know that Polar Bear fur is not white? It is actually translucent. They are fascinating animals. Ask your student to tell you what they've learned. Please enjoy the Winter Break. See you next year!

6-8 GRADE

- Happy Holidays to you and your families! Thanks for making me feel like a part of this amazing community. Here's to another fantastic year!

SAFE Notes

(Safe Afterschool For Everyone)

Mrs. Weiss' piano and recorder players did an amazing job at the Grenada Gardens caroling. We are so lucky to have such a music program in SAFE.
