At Delphic School Students and Staff are Safe, Respectful, and Responsible

❄️ Spelling Bee Winners & Ski Trips ❄️

January 24, 2020

Superintendent/Principal Message

Dear Parents and Families,

Our ski program dates are scheduled for January 31, February 14, and March 6. Parents/guardians must attend with their children. Please notify the school if you are planning to participate. Fees will need to be paid 10 days prior to each trip so proper payment can be delivered to Mt. Shasta Ski Park.

Our school nurse will be here on January 30th from 8:00am-9:00am for a material preview and Q & A regarding our 4th-5th grade health presentations and any other general questions related to vaccination requirements, etc. 4th grade students will be presented with "Just Around the Corner", material that discusses upcoming body changes, growth/development and importance of hygiene. 5th grade students will be presented with the "Puberty Workshop", which discusses changes the body goes through during puberty. Parents please sign the permission slip attached to this newsletter and return.

Please continue to send students to school with water bottles. We are still working to resolve our water issue and will keep you posted. Don't hesitate to call the school with any questions.

For the kids!
Ms. Thomas,
Email: jthomas@sisnet.ssku.k12.ca.us

CLASSROOM UPDATES

K-2 GRADE

- The kindergarteners are learning the letter "Kk" and the number "13". We have a new kindergartner, welcome Lane! The first and second grades took a math test this week. In the afternoon, they learned about Martin Luther King Jr. Thursday, January 30, is our 100 Day Party.

3-5 GRADE

- This week we worked on review and assessment for Unit 3 in math. The students have been working hard on Unit 3. In addition they have been practicing multiplication facts 1-12. Students take a timed test on Fridays. The first person to complete all tests correctly will get a prize. We currently have two students tied for first. At the end of the year we will be having a sundae party. Students will get one topping for each multiplication test (1-12) that they have passed. I am going to need to be creative coming up with 12 toppings. Have a great weekend!

6-8 GRADE

- Thank you to students to being respectful to our substitute as Mr. Darnell was out at the end of the week.

SAFE Notes

(Safe Afterschool For Everyone)

The SAFE student of the week is Larissa Davis. Larissa always goes out of her way to help in SAFE, she is a very good friend with such a big heart! Safe is getting ready for Valentine's Day and having fun decorating the school.
