At Delphic School Students and Staff are Safe, Respectful, and Responsible

### Nurse Visit Next Week

January 31, 2020

#### Superintendent/Principal Message

Dear Parents and Families,

Thank you for another great week at Delphic! In the coming weeks we will be hiring a new school secretary. This person will be training with Mr. Adams. We look forward to finding a great person!

Next week our school nurse will be on campus for health talks on the topic of human growth and development. This will be on Wednesday and Thursday. Please call the school if you have any questions.

February 11th the whole school will have a field trip to Mt Shasta Ice Skating Rink. Please let us know if you can drive. We are still in need of chaperones. Thank you!

Please continue to send students to school with water bottles. We are still working to resolve our water issue and will keep you posted. Don't hesitate to call the school with any questions.

For the kids!

Ms. Thomas,

Email: jthomas@sisnet.ssku.k12.ca.us

#### K-2 GRADE

- The kindergartners are learning the letter "Nn" and the number "14". The first and second grades started a new unit in math. We celebrated the 100th Day on Thursday and some students went skiing on Friday. Those who did not ski continued the 100th day with Mrs. Kuck. They also learned about different kinds of storms and life long ago. Students should have their poems memorized by now!

#### 3-5 GRADE

- Our next writing project is going to be a Persuasive Essay. We are examining persuasive arguments in different forms and discussing what makes a strong argument. We are looking at the ways in which a person or a company will use language or images to try to persuade us. Students have chosen topics and are building their own arguments. They are coming up with some interesting topic ideas.

#### 6-8 GRADE

- Hello Families! This week started off running with compliments our class earned during my time out of the classroom last Thursday and Friday. I'm so happy to hear how well they behave and work while I'm out. Thanks to the assistants Mrs. Martinez and Ms. Pascale whom also help during different times in the morning, ensuring the class follows routines and stay on task. We reached our goal in Class Dojo of earning 5000 whole class points and celebrated on Thursday with Root Beer Floats and Butterfly Fizz with a movie.

#### SAFE Notes

(Safe Afterschool For Everyone)

The SAFE student of the week is Evelina! She is always on task, kind to other students, and is always willing to help the safe teachers.
