## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

---

### Principal's Message

Delphic Elementary School is a small rural school located in Northern California's lovely Shasta Valley, 3 miles from Yreka, nestled among many cow pastures. Delphic School was established in 1916 to provide an education for students living between Yreka and Montague. When translated, "Delphic" means "The place where God was believed to give answers to Apollo at Delphi." The school tries to continue in that role, providing for local students and providing an alternative for students living in neighboring school districts.

We are a kindergarten through eighth grade school with an average daily attendance of 61 students. Since Delphic School is small, we are able to provide a more personal educational program for our students. The school population is generally stable and, economically, lower-middle class. The economy is agriculture based, with some fading timber industry.

Delphic Elementary School is a coordinated-program school. Its mission is to create a learning environment of excellence-producing individuals with high standards that are inspired to become lifelong learners and contributing members of our society.

A major role of Delphic School is to establish a caring, accepting school environment that helps build trust, foster the development of positive social skills, and enhance each student's ability to make wise and healthy decisions.

The Delphic School program meets students' needs by focusing on common concerns that are not always addressed in the traditional school program. This further promotes a positive perception of the classroom and school. Students come to regard school as a place where they are understood, thus, they become more motivated to learn.

Delphic Elementary School is an picturesque little red schoolhouse that is kept in good repair. Student safety is considered the highest priority by the entire Delphic community. Regular inspection and quick repair of deficiencies is a consistent practice. Delphic Elementary utilizes an ongoing maintenance priority list to ensure all issues are addressed in a timely manner that is cost effective for the district. The facility has recently had many updates including a solar array, updated HVAC systems and new LED lighting. These updates were funded with modernization and Proposition 39 dollars. In the summer of 2018 a new fire suppression system was installed in the kitchen over the stove to increase fire protection measures.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	20	38	20	38	50	50
Mathematics (grades 3-8 and 11)	18	27	18	27	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**Opportunities for Parental Involvement (School Year 2019-20)**

**Parental Involvement**

Delphic Elementary School is committed to communicating with and engaging parents as partners in their children’s education. We continue to use a student-teacher-parent-administrator contact to promote academic achievement and to provide an excellent learning environment through a team effort. Communication between home and school ensures all concerns are addressed in the best way possible. We celebrate the academic and social accomplishments of Delphic students.

Because parents are the only source of transportation for Delphic students, there is strong parental support and commitment. The school describes expectations for parent communications and involvement at the school, classroom and home levels. We are also committed to obtaining community resources for our school and invite all constituencies within our community to assist us in the education of our students.

A weekly bulletin lets the school community know what is happening at Delphic Elementary School. Our superintendent/principal and teachers confer with parents and address any problematic behaviors. Students are encouraged to be prompt and attend class every day. Efforts to improve attendance include daily phone calls, conferences and school attendance review board (SARB) letters to parents. Parents have acted on our concerns that their children’s regular attendance is essential to optimum learning, and attendance has improved.

For more information on how to become involved, please contact the school at (530) 842-3653.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

**School Safety Plan (School Year 2019-20)**

School Safety

Delphic Elementary School has a Crisis Response file that includes its state-mandated comprehensive school safety plan that meets state requirements as described in California Education Code Section 35294. The safety plan is continually updated and includes disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child-abuse reporting procedures, school dress codes, and school discipline policies. The school safety plan was last reviewed and discussed with the school faculty and finalized in October 2017. This plan is currently under review and being updated by administration.

Adult supervision is provided in the classrooms, during recess and lunch, and in outside areas before and after school. Under the direction of the superintendent/principal, specific school procedures are implemented by the staff. One schoolwide disaster drill and monthly fire drills are conducted during the academic school year. Visitors are requested to check in at the school office. To help ensure the safety of our students, students are required to wait inside the school until the parent or guardian comes into the school to pick them up.
