 April Sunshine 

### Superintendent/Principal Message

Dear Parents and Families,

Happy Friday! We hope everyone had a good week at home and you are enjoying the sunshine. Here is a recommendation to help make school from home easier.

Try to keep to a schedule. Sit down with kids and create a schedule together and post it on the refrigerator and stick to it. An example of a daily schedule may look like:

- 8:00-8:30 Alarm/Wake Up
- 8:30-9:00 Breakfast
- 9:00-9:30 Morning Movement
- 9:30-10:30 ELA
- 10:30-11:00 Recess/Outside Time
- 11:00-12:00 Math
- 12:00-1:00 Lunch/Free Play
- 1:00-2:30 Science/Social Studies/History/Art
- 2:30-3:00 Family Movement (PE)

This is just an example, it might be better for your family to start your day later or get most of your work done at one time. One thing we do know is that routines help kids be successful and help adults get through the day.

Contact us if there is anything we can do to continue to support you. Please keep social distancing and stay healthy.

For the kids!

Ms. Thomas,

### CLASSROOM UPDATES

#### K-2 GRADE

- Parents, thank you for all the hard work you have been putting forth. When your child's works get turned in could you please make sure everything is completed? I'm still missing a few math and reading comprehension tests. I know this is difficult for everyone but we can do this together. If you have any questions about the work, please don't hesitate to call. [cday@sisnet.ssku.k12.ca.us](mailto:cday@sisnet.ssku.k12.ca.us)

#### 3-5 GRADE

- Hello, families. I have been trying to figure out the best way to keep in touch with you all. It feels like things are in a state of continuous change and we are all working on figuring out new routines. If a certain way of communication works best for you and I have not been doing that, please reach out and let me know. We are still a team in your student's education. I am here for you and for the kids. [mjackson@sisnet.ssku.k12.ca.us](mailto:mjackson@sisnet.ssku.k12.ca.us)

#### 6-8 GRADE

- Hello Families! Next week's homework packets can be picked up from the school at 11:30 if you haven't already picked one up. There is a cover letter on the packet that explains some additions I've made to the packet for next week. It was nice seeing many of you Thursday when me and Mrs. Martinez were on the daily lunch route. We miss you all very much and hope to see you again next Thursday. Have a great weekend! [mdarnell@sisnet.ssku.k12.ca.us](mailto:mdarnell@sisnet.ssku.k12.ca.us)
