Virtual Graduation Planning Has Started!

May 8, 2020

Superintendent/Principal Message

Dear Parents and Families,

Thank you to every one that reached out with thanks and appreciation for Teacher Appreciation Week! Our entire staff felt so honored. Thank you again for the showering of support!

We are on the count down to the end of school. Please reach out to us if your kids are struggling and we will do whatever we can to help them finish strong.

Virtual Graduation

We have contracted with a video production company to help us create an awesome virtual graduation ceremony. Kindergarten and 8th grade students will be honored! More information to come.

We encourage you to join us on social media if you have not already. We are on Facebook @delphicelementaryschool and Instagram @littleredschool. Also, if you have photos of kiddos working from home, send them our way and we would love to post them to help keep our community connected.

For the kids!

Ms. Thomas,

K-2 GRADE

- We only have a couple more weeks of academics, stay strong! Please try to keep your child on a schedule to make it easier. Next week will include a math test. There will be a graduation, more information soon to follow. Kindergarteners do graduate!

3-5 GRADE

- Hello, families. Our caterpillars arrived this week. I have been sharing photos and videos on FaceBook and my YouTube page. Contact me if you have not located these resources yet. Have your student continue to observe and document what they see.

6-8 GRADE

- Hello Families! This is the first full week of Study Island and all is going well. If you have any questions, please let me know. You can always go in their Study Island account and look at their progress. Ask me if you need assistance with that. Remember, I'll be available each school day from 9-3, and if it's an urgent matter you may text me on my cell #. Have a great weekend and Happy Mother's Day to all you amazing moms out there!
