At Delphic School Students and Staff are Safe, Respectful, and Responsible

Happy September

September 11, 2020

Superintendent/Principal Message

Dear Parents and Families,

Our September board meeting has been rescheduled for next week, Wednesday September 16 at 6:00pm. At this meeting we will discuss usual board business in addition to school operations. Parents are welcomed.

Food Service

In addition to meals being served at school, students who are learning from home are still eligible for free grab and go meals. Please call the school if you have questions regarding this service.

Care of Chrome Books

Please help your child take good care of their school issued chrome book. Do not let your child eat or drink while using their chrome book. Thank you for your help!

Distance Learning

Please check in with your child to make sure they have completed each day's assigned work.

Students MUST attend the daily ZOOM meetings with their teacher to be marked present in school that day.

For the kids!

Ms. Thomas,

Email: jthomas@sisnet.ssku.k12.ca.us

K-2 GRADE

- Please, please, make sure your child is at morning meeting! This is when we take attendance! Also, there is a paper in your child's packet for their spelling test. Please make sure they take it. Every week every child needs to pass two stories. Second grade parents will have to help me with that. You rocked it last year. First graders need to read to me every week and pass their two stories so I can work on the phonics rules. Have an amazing weekend!
cday@sisnet.ssku.k12.ca.us

3-5 GRADE

- We have some hard-working mathematicians in our class! Two students went way beyond the assigned amount of time in Khan Academy. Junior and Delia led the class and helped us to increase from level 4 to level 11 in one week. Wow! Thanks, guys, I really appreciate your hard work!
mjackson@sisnet.ssku.k12.ca.us

6-8 GRADE

- This week we took our i-ready assessments and writing assessment. Students became more familiar with google classroom and homework turn-in procedures. They have been extremely flexible and willing to adapt to any technological issues we have been having (thank you guys!). All assessments must be completed and turned in by Sunday at midnight.
