Superintendent/Principal Message

Dear Parents and Families,

Thank you for a great second week!

Care of Chrome Books

Please help your child take good care of their school issued chrome book. Do not let your child eat or drink while using their chrome book. Thank you for your help!

Distance Learning

Full distance learning schedules are in full swing. Every week your child will receive a weekly schedule from your child's teacher which will outline the assignments for everyday. Please check in with your child to make sure they have completed each day's assigned work. **Students MUST attend the daily ZOOM meetings with their teacher to be marked present in school that day.** Students must also complete the required minutes of daily instruction as outlined by their teacher.

We have a few yearbooks left from last year! Please stop by the school if you would like to purchase one for \$12.00. Thank you to Ashley Vincent for putting them together!

For the kids!

K-2 GRADE

- Everyone is off to a good start. Most of my students have already turned in last week's work and collected next week's work. The kindergarten has 100% turn in!! Awesome job! It is very important that first and second grades are passing both their stories every week. This first few months of reading is frustrating for first grade. They need to read their stories everyday and they will be successful. Have a great three day weekend!

3-5 GRADE

- I am so proud of everyone in this class. Our focus this week was on learning procedures, signing into our programs, and finding our way around our Google Classroom. My students rocked this week. I am excited to see what we can accomplish together this year.

6-8 GRADE

- This week our class started working on how to use google classroom, google meet, google docs, google slides, flipgrid, and even zoom! We have been working on establishing routines and effective ways to communicate and get help on assignments. Just a reminder that signing in for the Morning Meeting is crucial! That is when attendance is taken for the day. Morning Meeting is for everyone every school day at 9:30am aarkie@sisnet.ssku.k12.ca.us

SAFE Notes

(Safe Afterschool For Everyone)

We had a great first week back in SAFE. It was so nice to see all the kiddos again! Please have your child wear something they can get wet in next week, we will be going in the sprinklers. Also a few items went home for some fun SAFE activities at home. Please contact Mrs. Dunn if you have any questions.
